

Pulling Together State Partnerships and Advisory Committees

A State's Perspective

Bethany Geldmaker, PhD

Objectives

- How to partner with key ECE professionals
- How to work across state agencies and organizations
- Tips for getting started

Partnering with key ECE professionals

- Getting started and established
 - Getting buy-in
 - What is in it for me
 - Surviving changing political environments

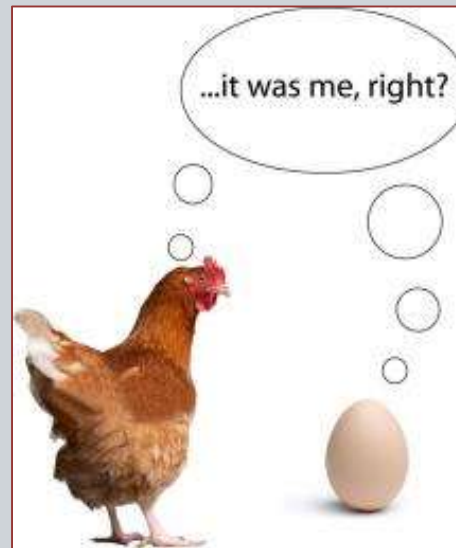

Working across state agencies and organizations

- Building partnerships based on your vision
- Making sure partners have what they need
- What it takes to be able to work together

Tips for getting started
